Journal of Pharmacy & Pharmacognosy Research

Dear Authors,

It is a pleasure to accept your manuscript entitled "Bioactivity Properties of Chromolaena odorata Correlated to its Cytotoxicity against the Colorectal and Breast Cancer Cells Line", as an Original Article, in its current form for publication in Journal of Pharmacy & Pharmacognosy Research.

The comments of the reviewers who referred your manuscript are included at the foot of this letter.

You will be contacted as soon as the author who should pay an article-processing charge (APC) of 350 USD (US Dollars) applies to papers accepted after peer review. This message will be received by you through PayPal.

After that, in a few days, you will receive the proofs in PDF of your manuscript for corrections.

Thank you for your submission and corrections.

We look forward to your continued contributions to the Journal.

Yours sincerely,
Gabino Garrido

Referees' comments for Authors:

There are some mistakes that could be solved during the editing process.

Article ID: JPPRes-20-969

Dear Author,

The proof of your paper "The chemical composition of the ethanolic extract from *Chromolaena odorata* leaves correlates with the cytotoxicity exhibited against colorectal and breast cancer cell lines", which is scheduled to appear in a future issue of JOURNAL OF PHARMACY & PHARMACOGNOSY RESEARCH, has now been uploaded as PDF file (in attached file).

Please, note that this file should be annotated electronically and returned by email to editor@jppres.com or jppres12@gmail.com

If you are unable to electronically annotate the document please you write the corrections in a word or txt file and indicate where they should be placed in the document.

Proofread the file for information accuracy against your manuscript copy. Your article production ID is noted at the top of this message - please refer to it in all correspondence.

Acrobat Reader & Acrobat Professional

You will only be able to annotate the file using Acrobat Reader 7.0 or above and Acrobat Professional. Acrobat Reader can be downloaded free of charge at the following address:

<http://www.adobe.com/products/acrobat/readstep2.html>

NOTE: Earlier versions of Acrobat Reader do not have annotating capabilities.

Corrections

We ask you to check the proof carefully, paying particular attention to the accuracy of text, equations, tables, illustrations (which may have been redrawn), other numerical matter and references (which have been corrected for the style but not checked for accuracy, which remains the responsibility of the author).

To facilitate PDF proofing, low-resolution images may have been used in this file. However, high-resolution images will be used in the final published version. If you have any queries regarding the quality of the artwork, please contact the Production Editor.

Returning Corrections

Please keep a copy of the corrected proof for reference in any future correspondence concerning your paper before publication. Please return your corrected proof or advise the Senior Production Editor if you have no corrections (email is sufficient) within 3 days of receipt. Please return your annotated PDF proof by email (editor@jppres.com).

If you are unable to correct your proof using electronic annotation, please print out your proof and mark corrections onto the hard copy, using standard and consistent symbols, by following the marking in the proof correction symbols located on the e-proofing and scan these. Please return the corrected proof by e-mail. Alternatively, email a list of your corrections to the email mentioned below.

Further Queries

If you have any questions about accessing the PDF file of the proofs, printing, correcting or returning proofs, please contact the Senior Production Editor at editor@jppres.com
