Dear Dr. Melinda Melinda,

This is a friendly reminder for the authors of the accepted papers to register and pay your registration fee by October 12, 2018. (please ignore this email if you have made a payment).

WE ALSO NEED YOUR HELP: We are drawing up the presentation program. Almost all papers have 2 or more authors and it is not obvious who will be attending the conference to present the paper.

Kindly login into EDAS, go to your paper page, scroll down to Presenter(s) row (6th line down under Property column) and click on the plus sign + to add the presenter. A new page will appear listing the names of all registered authors, click on the author you wish to designate to present the paper.

If the presenting author is not included on EDAS as one of the authors, you must add his name to the author's list. To do this, go to the first line named 'Authors', and click on the plus sign + to add a new author, and take it from there, or email to sicest@unsri.ac.id to inform the presenter name.

In addition, we would appreciate if you could upload your presentation on EDAS, you can go to the presentation column and click on the upper arrow to upload a file for the presentation or send it by email to sicest@unsri.ac.id

THIS IS VERY IMPORTANT, the program must be accurate to avoid time waste.

See you at the conference.
